Global A&T Electronics Ltd. (the "Acquiror") and the Company today jointly announced the extension of the closing date in connection with the previously announced tender offer and consent solicitation in respect of any and all Bonds. The new closing date for the Tender Offer and Consent Solicitation is **4.59 p.m. (London time) / 11:59 p.m. (Singapore time) on Monday, 22 October 2007**, unless such date is further extended in the Acquiror's sole discretion (as amended, the "Closing Date").

The Acquiror is offering to purchase for cash any and all Bonds at the Purchase Price of S\$185,967.80 for each US\$100,000 in principal amount of the Bonds, without interest thereon, payable in cash in U.S. dollars, to be converted at the U.S. dollar / Singapore dollar open spot market exchange rate on or around three Business Days prior to the Settlement Date, unless holders of Tendered Bonds elect to receive the Purchase Price in Singapore dollars. The Company is also requesting, at the request of the Acquiror, that the Bondholders deliver their consent to the Proposals.

The Settlement Date for the payment of the Purchase Price for the Tendered Bonds will be on the same date as the settlement date for the acquisition of the Shares by the Acquiror pursuant to the Scheme, which is currently expected to occur by 2 November 2007. A further announcement will be made by the Acquiror and/or the Company in due course to inform Bondholders of the Settlement Date. As of the same time, the Acquiror has received valid tenders of Bonds and deliveries of related consents from Bondholders of approximately 98.2%, or US\$157,600,000 aggregate principal amount, of Bonds outstanding. Accordingly, the requisite consents have been obtained to pass the Extraordinary Resolutions to approve the Proposals that would (i) eliminate the negative pledge covenant, certain affirmative covenants, the conversion right, Bondholders' optional redemption rights and most of the events of default, and (ii) provide the Company with the option to redeem all (but not part) of the untendered Bonds at any time on or prior to the 30th business day after the settlement date for the tender offer at the Clean-up Call Price. The Tender Offer and the Proposals are conditional on the Scheme becoming effective and binding in accordance with its terms.
