UTAC wins coveted SanDisk Supplier Excellence Award

Singapore, 25 March 2014 – UTAC Holdings Ltd (UTAC), a leading semiconductor testing and assembly services provider headquartered in Singapore, announced today that it has been awarded the coveted SanDisk Supplier Excellence Award at the SanDisk Annual Supplier Day for 2014.

The SanDisk Supplier Excellence Award more specifically recognises UTAC Taiwan's exemplary performance and support to SanDisk as measured in part by quarterly business review (QBR) scores throughout 2013. Key performance metrics recognised include delivery, quality, engineering and production support.

Jeff Osmun, UTAC's Senior Vice President of Worldwide Sales commented, "We are indeed honoured to have been acknowledged by our long-time customer SanDisk for the hard work of UTAC's dedicated workforce in Taiwan. We greatly appreciate the business with SanDisk and are committed to further improving the manufacturing partnership we have established. We look forward to continuing to deliver our trademark quality products and services to SanDisk, as well as all of UTAC's customers worldwide."

Additionally, UTC has been given the annual Best Test Partner Award thrice by SanDisk since 2009, all representing testaments to the company's consistency in providing service and product excellence.
