### **UTAC Receives Supplier Award from ON Semiconductor**

**Singapore, 5 July 2016** – UTAC Holdings Ltd (UTAC) has been awarded the “ATO Supplier of the Year 2015” for excellence in IC assembly and test services by ON Semiconductor at its inaugural Supplier Executive Conference in Phoenix, Arizona. UTAC was one of four suppliers to be recognized by ON Semiconductor for outstanding performance and supplier of the year honors.

UTAC has grown as a major supplier of assembly and test services to ON Semiconductor since the relationship started more than a decade ago. The award recognizes UTAC’s performance in manufacturing excellence, quality, high level of responsiveness and customer service in 2015.

*“UTAC is a long-term and valued supplier to ON Semiconductor that has continued to demonstrate leadership in quality, technology, delivery and cost,”* said Jeff Wincel, Vice President and Chief Procurement Officer, Global Sourcing and Procurement, ON Semiconductor. *“The ATO supplier of the year award represents their outstanding performance in 2015.”*

*“We are honoured to be the only OSAT to receive this award from ON Semiconductor, which reflects the hard work of our team in Thailand, Singapore, and the United States. We have built a strong relationship with ON Semiconductor over the years and we remain committed and driven to deliver excellent service to grow with ON Semiconductor for years to come,”* said Jeff Osmun, Senior Vice President of Worldwide Sales, UTAC.

[UTAC Holdings Ltd](#), CEO Dr. John Nelson, receives the award from Mr. Jeff Wincel, Vice President and Chief Procurement Officer, Global Sourcing and Procurement, [ON Semiconductor](#), at Supplier Executive Conference in Phoenix, Arizona.

## **About ON Semiconductor**

ON Semiconductor (Nasdaq: [ON](#)) is driving energy efficient innovations, empowering customers to reduce global energy use. The company is a leading supplier of semiconductor-based solutions, offering a comprehensive portfolio of energy efficient power management, analog, sensors, logic, timing, connectivity, discrete, SoC and custom devices. The company's products help engineers solve their unique design challenges in [automotive, communications, computing, consumer, industrial, medical, aerospace and defense applications](#). ON Semiconductor operates a responsive, reliable, world-class supply chain and quality program, a robust compliance and ethics program, and a network of manufacturing facilities, sales offices and design centers in key markets throughout North America, Europe and the Asia Pacific regions.

## **About UTAC Holdings Ltd**

UTAC Holdings Ltd (UTAC) is a leading independent provider of assembly and test services for a broad range of semiconductor chips and we offer a full range of semiconductor assembly and test services in the following key product categories: analog, mixed-signal and logic, and memory. Our customers are primarily fabless companies, integrated device manufacturers and wafer foundries. UTAC is headquartered in Singapore, with production facilities located in Singapore, Thailand, Taiwan, China, Indonesia and Malaysia, in addition to its global sales network focused on five regions: United States, Japan, China and Taiwan, rest of Asia and Europe, with sales offices located in each of these regions.
